

HPE Frontier ARGENTINA

Terms & Conditions

1. Eligibility

HPE Frontier – Argentina is open to eligible Australian Dicker Data reseller partners holding a valid trading account in good standing. Participation is limited to partners approved within eligible HPE partner tiers, as determined by Dicker Data.

To be eligible, partners must:

- Register via the official HPE Frontier – Argentina campaign landing page during the campaign period.
- Participate during the qualifying period of **15 June 2026 to 31 October 2026**.
- Meet or exceed the minimum performance requirements within at least one published award category.
- Purchase eligible HPE solutions through Dicker Data during the campaign period.

Only one (1) entry per partner organisation is permitted. Award eligibility is based on the registered partner organisation and cannot be transferred between entities.

2. Qualifying Performance

Performance is measured exclusively on eligible HPE sell-through revenue invoiced through Dicker Data during the campaign period.

Eligible portfolios include:

- **HPE Compute**
- **HPE Storage**
- **HPE Networking**
- **HPE Hybrid Cloud solutions**
- **HPE Artificial Intelligence solutions**
- Other eligible HPE solutions as determined by Dicker Data and HPE.

All qualifying transactions must be invoiced and paid within the campaign window. Returns, cancellations, credits, unpaid invoices, or transactions outside the campaign period will be excluded.

Dicker Data reserves the right to validate performance using internal reporting systems, vendor-aligned data sources, and other relevant sales records.

3. Award Categories & Winner Selection

A maximum of five (5) winners will be selected across the published award categories.

Specific requirements will be communicated once the final itinerary is confirmed and may include recommendations regarding vaccinations such as Yellow Fever, Hepatitis A, Typhoid or other destination-specific health measures where applicable.

Participants should consult:

- Their healthcare provider.
- The Australian Government's [Smartraveller](#) website.
- Relevant embassy or consular services.

6. Conduct and Representation

Winners are expected to represent Dicker Data and HPE professionally throughout the promotion and travel experience.

Any misuse of the incentive, submission of inaccurate information, manipulation of sales data, or unethical behaviour may result in immediate disqualification and forfeiture of any prize entitlement.

7. Taxation

Prizes may be subject to taxation or reporting obligations.

Winners are solely responsible for seeking independent tax advice regarding any taxation implications arising from participation in the promotion.

Dicker Data accepts no responsibility for any tax obligations associated with receiving the prize.

8. Communications & Privacy

By registering for HPE Frontier – Argentina, participants consent to receiving communications relating to the promotion, including campaign updates, leaderboard communications, and winner notifications.

Winners may be featured in promotional activity including digital, social media, event, or partner communications.

All personal information collected will be handled in accordance with Dicker Data's Privacy Policy.

9. Amendments & Cancellation

Dicker Data reserves the right to amend, suspend, extend, or cancel the HPE Frontier – Argentina promotion, award categories, qualifying criteria, or any aspect of the prize at any time due to unforeseen circumstances, operational requirements, vendor funding changes, or strategic considerations.

Any changes will be communicated to registered participants where reasonably practicable.
