

EXPRESS TEAMS ROOMS TABLETOP STAND

[LEARN MORE](#)[REQUEST QUOTE OR DEMO](#)

SKU : KSK-WH, KSK-BK

The Karter Kwikit is a purpose-built tabletop stand to accelerate Microsoft Teams Room installations like never before. Designed and engineered in Australia, it streamlines the deployment process – delivering a quick, seamless setup experience from start to finish.

Whether you're equipping a single huddle space or rolling out Teams Rooms across hundreds of offices, Kwikit ensures consistent, professional results with minimal effort. Fits screens from 43" up to 55" and is fully compatible with Teams-certified devices from leading brands like Jabra, Logitech, and more.
