**DICKER DATA ANNOUNCED AS HONEYWELL DISTRIBUTOR ACROSS ANZ**  
**Appointed to Distribute Automatic Identification and Data Capture (AIDC) Range**

The Board of Directors of Dicker Data Limited (ASX: DDR) are pleased to announce our new distribution agreement with Honeywell (NYSE: HON) spanning both Australia and New Zealand. The agreement is effective Monday, 1<sup>st</sup> July 2019 and provides Dicker Data full access to the entire AIDC range which includes ruggedised scanners, industrial printers, enterprise mobility tablets and their industry leading Mobility Edge platform.

Chairman and CEO, David Dicker, Dicker Data Limited, said "Our new partnership with Honeywell marks our entrance into the industrial scanner and printer market. With many of our 5,000 strong reseller base already operating in this space, or on the fringes of it, we believe there is a significant opportunity ahead of us that we are now well positioned to capitalise on."

"Honeywell aligns itself with leading business innovators, speeding the creation of unique market solutions, while decreasing customer risk, creating operational efficiencies, and achieving maximum return on investment," said Claudio Bratovic, ANZ Regional Manager, Honeywell Safety and Productivity Solutions.

Mr. Bratovic added, "the channel market is key for Honeywell across ANZ. We do not work in isolation. We succeed with our partners and are pleased that Dicker Data is one of these."

For and on behalf of the Board,

David Dicker  
Chairman & CEO
